# HELPING HANDS

The products featured on these 2 pages have been handcrafted at Project Centers in Thailand and China. Primarily women, workers at the Project Centers seek to rise above their circumstances of disease, hunger, poverty, strife, oppression, and even exploitation. The Project Centers offer clean and sanitary working conditions, health care assistance, and a commitment to provide sustainable income that literally transforms their lives. Our goal is to find those who may be overlooked by others and give them hope and a future!
